RECOMMENDATION MICHAEL PAUL

I take this opportunity and this means to recommend a brother in Christ to you for a rare form of ministry. Michael Paul was born and raised in the Muslim culture and faith. The fact that he has 28 books of the Koran memorized qualifies him as an authority on the Islam religion and its book.

Michael Paul has a personal relationship with God in Christ Jesus. The story of his conversion and the price he paid to be a follower of Jesus is fascinating. I want you to know that he is real and that he is a genuine brother in Christ.

I have engaged Michael Paul to speak to my own congregation and to a conference of pastors from my denomination. He communicates with passion, integrity and in Christian love. I would recommend him to you as a top flight resource on Islam and on tips for how to communicate with Muslims.

Michael Paul believes that God has called him to share the Truth in Jesus Christ to Muslims. He has responded to several opportunities and is presently engaged in a variety of forums where dialogue is ongoing. God is using His servant whom He has raised up "for such a time as this."

I would ask you to pray for Him, schedule him to speak and to personally use him as a resource. Thank you for taking the time to read this recommendation. Thank you also for acting on it as you feel led.

Enthusiastically,
